Washington, D.C. 20515

The Honorable Rosa De Lauro
Ranking Member
Committee on Appropriations
United States House of Representatives
Washington, D.C. 20515

March 24, 2023

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Shelbyville Municipal Airport through the Airport Improvement Project (AIP) for facility improvements, property acquisition and infrastructure needs related to the relocation of the Middle Tennessee State University Department of Aerospace Flight Training Program and the increased utilization of airport resources. The University will require space to accommodate approximately forty-five (45) additional small aircraft at the airport. Funds requested will be utilized for property acquisition, to design and construct additional taxiways, aircraft apron space and tie downs, related site preparation, security fencing, drainage, and facility lighting.

The project has a Federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
