Dear Chairman Cole and Ranking Member DeLauro:

Dear Chairman Cole and Ranking Member DeLauro: I am requesting funding for the City of South Pittsburg Park Project in Fiscal Year 2027. The entity to receive funding for this project is the City of South Pittsburg, located in Marion County, TN. The funding would be used to develop approximately 16 acres of city-owned land along the Tennessee River into a publicly accessible recreation destination serving South Pittsburg and Marion County.

The project is an appropriate use of taxpayer funds because it expands public access to federally managed waterways, increases outdoor recreation opportunities and access for the community, and will enable small business growth in the city. The project has a federal nexus because the funding provided is for purposes authorized by 7 U.S. Code section 2250.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Scott DesJarlais". The signature is stylized with a large, sweeping arch over the name.
